

# Celebrate with the Highlands Planetarium!

Join us in a weeklong celebration of World Space Week!

The Planetarium will be showing *Autumn Stargazing* on Monday and Wednesday, with a star talk to follow on what to observe in your night sky.

On Tuesday and Thursday, view *Two Small Pieces of Glass*, with a talk to follow from our very own NASA Mercury MESSENGER Fellow Mrs. Carol Fraser about the current MESSENGER Mission to Mercury.

All events begin at **7:00 pm.**  
All events will cost **\$2.00 a person.**  
All events will be happening at:  
**Fairmount Elementary School**  
**1060 Atlantic Ave., Brackenridge**
